

DISINFECTION SERVICES

License #250700

**BE PREPARED.
BE PROACTIVE.
WE CAN HELP.**

ABOUT US:

Since 1976, TASCH Facility Services has provided clients across South Louisiana with superior construction and facility management services.

Let TASCH's quick, responsive team of experts maintain your facility, so that you can focus on delivering the services the public expects.

Jack Allen Jr.
Owner

We recommend large space methods and products be utilized to balance speed and scale, while being in compliance with required wetting and dwell times required by EPA-registered labels.

Intensified and systematic surface disinfection during outbreaks is an integral component of maintaining healthy indoor spaces.
